- BBQ Madman** 5 meats..... **26^{3/4}**

*About Our BBQ

Our BBQ is cooked at very low temperatures, smoked with a combination of house-made rubs and both hickory and cherry woods. It is natural for fully-cooked poultry that has been smoked to be pink or even red in color, especially near the bone. All our BBQ'd meats are prepared and served at lower temperatures. Questions or special requests related to our BBQ? Just ask your server!
